JODHPUR/PALI/JAIPUR
SYLLABUS AND LEARNING OUTCOMES
JANUARY 2020 – MARCH 2020
CLASS PREP – FLYING COLOUR

Dear Parents,

In this term, the child will explore the theme 'Seasons'. They will be a part of various activities and discussions related to this theme.

The Curriculum for the months of January 2020- March 2020 shall include the following outcomes which the child shall accomplish:

GENERAL AWARENESS

- Can identify and differentiate between the different seasons of the year
- Identify and name a variety of common things used in different seasons
- Categorise different seasons on the basis of weather
- Identify and name common festivals
- Recognise different symbols of our country-India
- Identify and categorise between primary and secondary colours

MATHS

- Count to and across 100, forwards and backwards(from 50), beginning with 0 or 1, or from any given number count, read and write numbers to 100 in numerals and up to 20 in words
- Addition and subtraction on the number line

PHYSICAL EDUCATION

- Master basic movements including running, jumping, hopping and dancing, moving and walking as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities

SOCIO-EMOTIONAL DEVELOPMENT

- Give well-structured descriptions, for different purposes, including expressing feeling

Please remember that you, the parents, need to be positively involved in your child's life at school. Your presence will contribute to the welfare and development of the student not just at home, but also at school.

Never stop learning, and you'll never stop growing!
